Maryland Fund For Horses

"Horse Bucks" Equine Hay and Feed Assistance Program

Frequently Asked Questions & Answers

Summary: The MFFH Equine "Horse Bucks" Equine Care Assistance Program is a program designed to assist horse/equine owners who demonstrate financial need with the cost of hay and/or feed for their equines. If approved, MFFH will facilitate the purchase of hay/feed on behalf of the horse/equine owner.

How will it be funded? MFFH will conduct fundraising activities for a fund specifically earmarked for "Horse Bucks" financial assistance, and the Board of Directors at its discretion may earmark additional operating funds for this purpose.

Who will qualify for vouchers? Individual equine owners may apply for hay assistance. An Equine Health Care Assistance Committee will review applications for completeness and documentation of expenses and financial need, and will grant requests *to the extent that funds are currently available.* Applications will be reviewed and approved on a first-come, first-served basis.

Who will <u>not</u> qualify for a voucher? Commercial entities of any kind, breeders and rescues are ineligible to apply for a voucher. Individuals who have previously been convicted of animal cruelty or neglect are not eligible to participate in the rebate program.

How does the purchase and payment for hay work? If your application is approved, MFFH will send you a notification of the approved purchase amount. Note that if you request assistance for a period of more than one month, MFFH may require additional follow-up information. MFFH will connect you with a participating hay vendor and will arrange a hay purchase on your behalf. You may pick up the hay, or if you cannot transport the hay yourself, let us know and we will attempt to arrange delivery to you, although we cannot promise an immediate delivery, so please plan accordingly. If you will be transporting the hay yourself, MFFH strongly recommends that you contact the vendor to arrange a convenient pickup date and time. If the amount of hay pick-up/delivery exceeds the approved purchase amount, and you accept the extra hay, you will be responsible to pay for the difference.

How does MFFH handle feed purchases? Applicants may request assistance with one-time feed purchases, which will be handled directly with the feed vendor. MFFH will purchase feed for the applicant and have it held for pickup at the vendor's location. The applicant will be required to show identification to pick up feed from the vendor.

How often can a horse owner receive a voucher? In general, voucher recipients will be limited to one lifetime voucher per individual per horse. MFFH may make exceptions in extreme circumstances at its discretion, but may condition the granting of additional assistance upon additional criteria and documentation, such as participating in educational programs or donating volunteer hours.

If the hay is of reasonable quality, is not moldy and is not contaminated, MFFH will consider it acceptable. If I have difficulty with a hay vendor, I will report any issues to MFFH with details of the problem.
- 2) It is my responsibility to use all other financial resources available to me (e.g., credit, savings, etc.) to pay for hay/ feed before applying for a rebate.
- 3) As with any sudden alteration of forage and/or feed in an equine's diet, there are associated risks. As a participant, I agree to discuss any and all associated risks with the equine health care provider in Item #1 above. - 6) If my application is approved, I will be notified via e-mail by MFFH. Rebate approvals expire 90 days after the approval date. I understand that I must submit a new application for any approved rebate or voucher not used within the 90 day period.
- 7) I understand that Maryland Fund For Horses does NOT issue vouchers for feed or forage/hay as a reimbursement. All requests for assistance with feed/hay/forage must be made in advance of purchase.
